

# Whole Child Traditions

I want my students  
to...

- \* know when they need a break and take it. (Mindfulness)
- \* work collaboratively in a positive community. (Community Grounding)
- \* succeed in their own way. (Alternative Assignments)

# Mindfulness Practice

A daily routine to ready our bodies and be mindful for the day.

## GOOD FOR YOU, MEDITATION IS.

Set a timer for 10 min.

Sit comfortably.

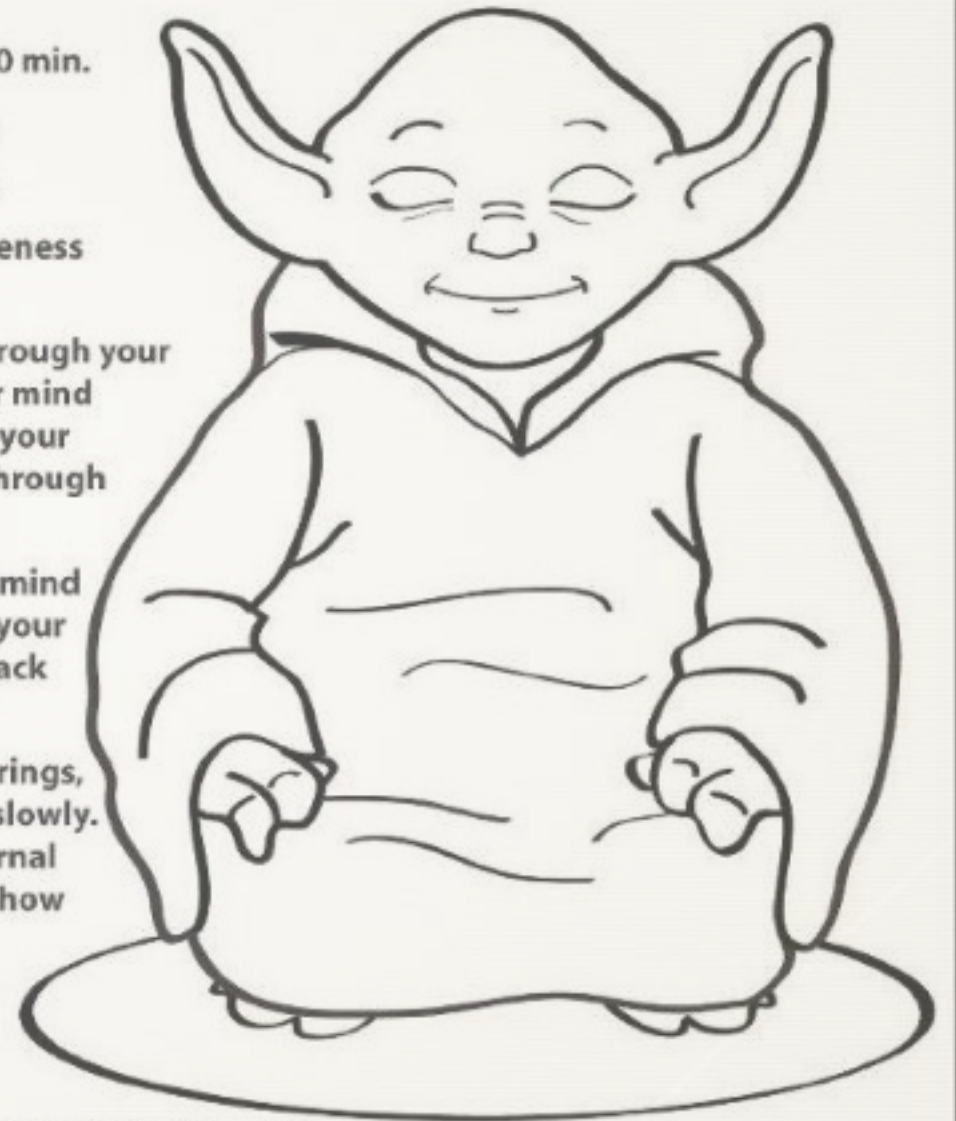

Close your eyes.

Bring your awareness to your breath.

Slowly inhale through your nose. Focus your mind on the sound of your breath. Exhale through your nose.

Every time your mind wanders, bring your concentration back to your breath.

When the timer rings, open your eyes slowly. Keep a daily journal and write down how meditation makes you feel.

It might be challenging at first. But don't give up! With steady practice, you'll soon be able to meditate just like Yoda!
